

Tuesday 3rd October

Dear Parents and Carers,

Titanic Theme Day

As part of our topic all around the Titanic we will be having a curriculum theme day to allow our children the opportunity to take part in a range of science, dance and history activities that will extend their knowledge.

All pupils will have the chance to:

- Take part in historical curling activities as enjoyed by the second class passengers on the Titanic.
- Dance the day away as a first class passenger.
- Investigate how and why the Titanic sank so quickly after striking the iceberg.
- Be a history detective and develop their questioning skills around primary and secondary sources.

We would like to invite children to dress up as a passenger on the Titanic according to their class on their ticket, which is attached to this letter. The tickets have been randomly selected in each class. Finally, we would also like to invite you as parents and carers to join us in a celebration of our learning at 2.30pm, when the children from each class in UKS2 will share some of their experiences from the day.

Please complete the slip below and return to your child's class teacher.

Thank you for your continued support,

UKS2 Teaching Team
