

17th November 2017

Dear Parents and Carers,

Burps, Bottom and Bile Theme Day – Y3 & 4

As part of our topic, we will be having a ‘mad scientist’ day to allow our children the opportunity to take part in a range of activities to further support our topic of ‘burps, bottom and bile’. **This will take place on Wednesday 29th November.**

All pupils will have the chance to:

- Take part in different science experiments.
- Deliver a workshop to other children to help teach them about the digestive system.
- Be a scientist and develop their scientific enquiry.

We would like to invite children to dress up as a scientist (this is open to your interpretation) for the day however this is optional.

Finally, we would also like to invite you as parents and carers to join us in a celebration of our learning at 2.30pm, when the children from each class in LKS2 will share some of their learning experiences for this topic.

Please complete the slip below and return to your child’s class teacher.

Thank you for your continued support,

LKS2 Teaching Team

Burps, Bottom and Bile Theme Day – Y3 & 4

Name of Pupil Class

I/We would like to attend the Burps, Bottom and Bile Assembly at 2.30pm on Wednesday 29th November.

Please tick below;

- 1 adult
- 2 adults

Please note that due to pupil numbers in LKS2 we ask that **a maximum of 2 family members** attend per child.
