Dear Parents and Carers

Home Reading Support

During the recent parents' evenings many of our parents and carers asked about different ways they can support with their child's reading at home. All children should read at least 3 times a week and we advise that adults listening to children read can further develop comprehension skills by asking questions. We would like to share the Reading VIPERS with you, which give ideas for questions that you can ask when reading with your child. We have also enclosed a copy of 100 books your child might like to read during their key stage. These books are promoted within school and we actively encourage our pupils to read widely.

If you have any further questions in regard to home reading please ask your child's class teacher in the first instance.

Thank you for your continued support.

Yours sincerely

Miss Spicksley and Miss Merchant
Reading Team
