

**21<sup>st</sup> November 2017**

Dear Parents and Carers

**Towers, tunnels and turrets**

To showcase what we have been learning in our topic this half term, we would like to invite you to take part in a Towers, Tunnels and Turrets workshop on Monday 27<sup>th</sup> November.

Year 1 are participating from 1pm – 2pm.

Year 2 are participating from 2.15 – 3.15pm.

During the hour, you will be joining in with your child in a Medieval Dance workshop for half an hour, and then there will be a tower building workshop for the other half an hour.

Due to the nature of the dancing and tower building and the space we have available, we are limiting this workshop to **two family members per child**. The children will be returning to class after their workshop, and will be picked up at 3.20pm as normal. If you cannot attend, your child will still take part in the workshop with the rest of the class.

Please return the slip below to your child's class teacher to let us know if you will be joining us.

**Yours sincerely,**

**The Key Stage 1 Teaching Team**
