Dear Parent/Carer

We're making communication easier, faster and more effective

I'm pleased to advise that we are introducing a new text and email service – 'School Gateway'. This means that we can communicate with parents more quickly and cost effectively via email, text and smartphone app.

Save money and time by downloading the School Gateway app

If you have a smartphone, both you and school can save money when you download the School Gateway app for your smartphone (Android and iPhone). Using the app means we can send you app messages that you can reply to, for FREE.

It's quick and simple to do. All you need is your email address and mobile number that the school holds on record for you. If you have trouble logging in, please call us on 01472 235331.

We're aiming to get 50% of parents using the School Gateway app – Please help us achieve this target.

If you don't have a smartphone, you will still receive text messages from the school.

Yours faithfully
