

2nd February 2018

Dear Parent/Carer

Y6 SATs Cafe

As you are aware your child will be undertaking their SATs tests in May 2018. As part of our revision programme we will be offering the children the opportunity to come into school outside of the normal school day. The children will be supervised by staff experienced in the Year 6 curriculum to offer the children support where needed but generally pupils will be working independently using the revision materials the academy have provided. In order for your child to receive the best support, the Year 6 team have decided to assign each class allocated weeks for their pupils to attend. The children will be offered a snack and juice from the tuck shop trolley.

The sessions will commence on Tuesday 6th February and will operate every Wednesday and Thursday from 8am to 8.45am and during lunchtimes on Tuesdays and Fridays up until the beginning of SATs week.

The focus for the weekly sessions are as followed:

W/C 5 th February – Addition and Subtraction (6F)	W/C 19 th February – Addition and Subtraction (6B)
W/C 26 th February – Addition and Subtraction (6F)	W/C 5 th March – Addition and Subtraction (6B)
W/C 12 th March – Multiplication and Division (6F)	W/C 19 th March – Multiplication and Division (6B)
W/C 26 th March – Multiplication and Division (6F)	W/C 16 th April – Multiplication and Division (6B)
W/C 23 rd April – Multi-Step Problems (6F)	W/C 30 th April – Multi-Step Problems (6B)
W/C 7 th May – Problems involving Measure (6F)	W/C 14 th May – Problems involving Measure (6B)

Yours sincerely,

Mr Sanders Miss Spicksley
