

Sun Safety

Now that Summer is nearly here & we've seen some sunshine, just a few reminders that will help protect children from sun damage:

- Please apply a 'Once a Day' Sun Cream with at least SPF 15 before school to protect children whilst out playing
- If children need to bring sun cream into school, please ensure they can apply it themselves, that they are told not to share it with others and that their cream is clearly named
- Please ensure your child has a named hat (wide brimmed or with a flap to protect the neck) to wear at breaktime
- If your child's eyes need protection, sun glasses with an appropriate UV filter should be brought in to school to wear at breaks

Hydration is also really important and we encourage the children to drink plenty of water whilst at school. Please remind your child to bring in their water bottles preferably ones with a drinking stopper rather than a removable lid to reduce the risk of spillage over pupils' work.

School Safety Zone

Please remember, the markings outside the school are for the safety of parents and children. Do not stop on the zig-zag lines.

Please also remember to park considerately by leaving driveways accessible for residents and pavements clear for pedestrians.

SATs

Just a reminder that Year 6 will be sitting their statutory assessment tests (SATs) from the 14th to 17th May; Year 2 will take theirs during the week beginning 21st May. The children are all working incredibly hard in school and are doing their best. Please reassure your child that this is all we expect at Wybers Wood. We do not want them to feel any stress for the SATs; they are backed up by teacher assessment and we know just how brilliant the pupils all are. Please ensure the children have some quality rest and relaxation at the weekend and after school during the assessment weeks.

If your child is ill during the testing week, please let us know as early as possible so that we do not keep all the children waiting ready to start a test. Thank you.

Free School Meals

All schools receive additional funding based on the number of their pupils who are eligible for free school meals. The funding applies whether or not the family decides to take those meals or continues to have packed lunches.

Please can we encourage everyone who thinks they might be eligible to apply even if your child is in KS1 or Reception and is receiving Free School Meals. Staff in the office will be happy to help.

Applying for Free School Meals does not mean your child has to have a meal in school every day. As a parents, you have the choice of providing a packed lunch should you wish. **For families, the main advantage is you have a virtual bank account in school using the additional funding provided by the government which can be used to fund trips, music lessons, residentials, equipment etc.** So don't miss out; talk to staff in the office.

Royal Wedding Celebrations at Wybers Wood—18th May 2018

School Council are planning some events to recognise the forthcoming wedding of Prince Harry & Meghan. The children can attend school dressed in red, white and blue for a small donation to the school council fund. There is also a special menu on Thursday 17th May.
