

11th May 2018

Dear Parents/Carers,

WEDDING

EYFS are having a 'bit of a do' on Thursday 17th May to celebrate the Royal Wedding and to support our RE and the wider curriculum. We would like all the children to come in their party clothes (with sensible shoes they can play in). We will have a wedding during our morning session with our local vicar Anne McCormick and then celebrate with the special school lunch.

The rest of the school are having a non uniform day on Friday 18th May. EYFS will wear their school clothes on the Friday because we are having our day on the Thursday.

Families can help their children with this project by showing them photos and talking to them about weddings which have happened within their own circle of families and friends. If we have any children who have been bridesmaids/ pageboys etc it would be lovely to share any photos you have kept.

READING BOOKS

We have trialled changing reading books for a couple of weeks and would like to now extend this so that children can come in with their parents and change their books every morning just as school begins. Reading is the most important skill for children to acquire as by learning to read children can then read to learn. Please support us with this by hearing your child read at least three times a week if not more. The books are not long and it will only take a few moments of your time.

PE KITS

Sports day practices will begin next week. Please make sure your child has their plimsoles and kit in school every day as we tend to go out when there is a spell of good weather rather than just keeping to Wednesday.

Please ask if you need any help or clarification

Yours sincerely

The EYFS Team
