

**May 2018**

Dear Parent/Carer

**KS2 Sports Day**

After reviewing last year's Sports Day and taking on board feedback from School Council, we have decided to run an 'all day' Sports Day with a morning session and an afternoon session.

Our morning session will be 'non-competitive', and will allow the children to participate in a carousel of activities with their class. Parents will be able to walk around with their child's class for each activity.

In the afternoon, we will be holding a more traditional competitive Sports Day, involving track and field events. Parents are welcome to attend and will be able to stand in the spectator areas, which will surround the whole field.

**KS2 Sports Day – Friday 15<sup>th</sup> June**

Non-competitive carousel morning: 9am-10:30am

Competitive track and field afternoon: 1:15pm-2:30pm

Yours sincerely

**Mr Brown**  
**P.E. Lead**
