

8th June 2018

Dear Parent/Carer

Maths Parents' Workshop

Following on from the feedback from our Parents' Maths workshop in November, Miss Penny and Mrs Baxter will be holding another parents' maths workshop on **Friday 22nd June** which will run from 2.15pm - 3.15pm. (Please note the change to the advertised date – it was originally Wednesday 13th June).

The aim of the workshop is to share how the school teaches calculations, and also aims to develop parents' confidence when supporting children with maths.

Thank you for your continued support.

Yours sincerely

Miss Penny and Mrs Baxter
Maths Team
