

15th June 2018

Dear Parents/Carers

Personal, Social & Health Education (PSHE)

SRE (Sex and Relationship Education) forms an important part of the PSHE programme. The lessons should build upon previous knowledge, be informative and educational, thus enabling pupils to make informed decisions in the future. We would like to share with you the topics that are being covered in each year group this term together with the materials we will use so that you can be prepared for any questions your child may ask at home.

The SRE programme includes videos from the Channel 4 'Living and Growing' series, reading recommended books together and input from the class teacher. All teaching materials are appropriate to the age and emotional maturity of the pupils concerned and the teachers will aim to present the programme in an objective, balanced and sensitive manner.

We have organised a meeting for parents only at 2.30 pm on Wednesday 27th June, please note crèche facilities will not be available. We will share the materials and teaching programmes for each year group and there will be an opportunity to raise any questions. Please could you indicate on the slip below whether you will be attending.

Yours sincerely

Carol Walker
Principal
